Demand and supply of power in NE States

†3516. SHRI DWIJENDRA NATH SHARMAH : Will the Minister of POWER be pleased to state :

(a) the details with regard to steps taken by Government to reduce the gap prevailing between demand and supply of power in the north-eastern States; and

†Original notice of the question was received in Hindi.

(b) to what extent the situation of power has improved in the States due to initiation of aforesaid necessary effective steps?

THE MINISTER OF STATE IN THE MINISTRY OF POWER (SHRIMATI JAYAWANTI MEHTA) : (a) and (b) During 2001-02 and 2002-03 generation capacity of 507 MW has been added in the North-Eastern Region (NER). Concerted efforts have been made by North-Eastern Electric Power Corporation to provide power to the NER from its power projects in Kopili, Kathalguri, Agartala, Ranganadi and Doyang. NHPC is also supplying power to NER from its projects at Loktak and Rangit. The availability of additional capacity has reduced the peak shortage in the region from 9% in 2001-02 to 6% during 2002-03.

The power supply position during 2002-03 vis-à-vis 2001-02 in the North-Eastern Region is given below :

	2001-02			2002-03		
Peak Demand	Demand (MW)	Met (MW)	% Shortage	Demand (MW)	Met (MW)	% Shortage
	1148	1043	9.1	1209	1135	6.1

Further, a capacity addition of 433 MW in State Sector and 585 MW in Central Sector has been planned during 10th Plan in North-Eastern Region.

Organisation of an Energy Summit in Chennai by CII

3517. SHRI B. J. PANDA :

MISS MABEL REBELLO :

Will the Minister of POWER be pleased to state :

(a) whether Confederation of Indian Industry has organized an "Energy Summit" in Chennai at the end of last year ; and

(b) if so, the issues discussed in the summit and solution offered to conserve energy, augment power supply and control losses by State Electricity Boards ?

THE MINISTER OF STATE IN THE MINISTRY OF POWER (SHRIMATI JAYAWANTI MEHTA) : (a) Yes, Sir. The Confederation of Indian Industry (CII) has organised "Energy Summit—2002" from 2-5 December, 2002 at Chennai.

(b) During the Summit there was consensus to initiate National Energy Conservation Movement, encourage use of energy efficient equipment in industries by training the top management and energy managers, developing energy saving service companies to implement energy efficient projects by
